

Drawn Arc Welding Studs Type RD

Advantages:

- high welding quality
- easy to weld

Technical Data

- Threaded stud with reduced shaft DIN 13918.

Dimensions:

Thread: M 6, 8, 10, 12, 16, 20, 24

Stud length L : 15 – 1000 mm

Material:

- Steel (standard)
- Galvanized steel
- Stainless steel 1.4301, 1.4571
