

## CD Welding Studs Type PT

### Advantages:

- high welding quality
- easy to weld

### Technical Data

- Threaded studs According to DIN 13918.

#### Dimensions:

Thread: M3, M4, M5, M6, M8, M10

#### Material:

- Steel copper coated
- Stainless steel 1.4301, 1.4571
- Brass
- Aluminum
